Administrative Withdrawal

Students wishing to appeal an administrative withdrawal should consult their instructor first. Students that feel the need to pursue the appeal process further need to do the following. To initiate an appeal, please follow the process detailed in steps 1 – 3. It is the student’s responsibility to initiate each step of the appeals process. Students have three class days from the date of notification to initiate, by @buc.blinn.edu e-mail, to The Dean, Dr. Jimmy Adams jimmy.adams@blinn.edu and complete the process.

1. Prepare a letter of appeal. This letter must include your name, student identification number, course number, section number, and a description of any extenuating circumstances along with the necessary documentation for all absences.
2. Schedule an appointment with Dr. Adams to discuss the administrative withdrawal. You must bring the letter of appeal to this meeting.

Missed Assignments

If you miss any of the assignments you will be given a grade of "0" for that assignment. I will NOT go back and reopen assignments. Final Grades are calculated immediately following the Final Exam. Assignments/Tests missed due to the official Blinn College excused absence policy are eligible for make-up. Verification of these absences is mandatory. Access to a computer with an internet connection is a requirement. There are computers on campus that are available for you to use. If you choose to use your computer at home, extensions will not be given due to computer problems. You must make sure you work out the "bugs" by contacting "Support" to ensure your computer is working properly.

No Excused Absences

The only Excused Absences are 1 of the 4 listed above in the "Attendance Policy" section. Examples of unexcused absences include, but not limited to: illness, doctor appointments, hospitalization, personal business, court appearance, vehicle breakdowns, or other unrelated business is not excused. Exams for another class, or other school related business is not excused.

Students: you must report an absence to your instructor, using your Blinn College email account (@buc.blinn.edu) within 24 hours of the class period missed for consideration to be excused. Your instructor will require official documentation to determine whether the absence is excused or unexcused. Absences will not be excused at a later date if this procedure is not followed. Classes missed because you were Administratively Withdrawn from the class due to absences is not an excused absence.

Student E-Mail Account

Blinn College has a student e-mail account for every student. It is the student's responsibility to check this e-mail account daily for important information. To find out how to access this e-mail account, go to <http://www.blinn.edu/acadtech/studentemail/>. This is where you will find step-by-step instructions on how to use your account.

Computer/eCampus Related Problems

If you experience eCampus problems you must submit a Help Desk Ticket. Save the correspondence that you have with the Distance Education Department. If the problem was Blinn's fault (e.g. eCampus was down, etc.) then the assignment will be extended for you. You must notify us of this problem and present to us the correspondence that you had with the Distance Education Department before the semester ends. We will not be able to help you after the semester ends.
